

Who we are

South Asia Law is a spin off, from the global law practise of Mayer Brown JSM. Our founding partners each mostly spent more than 20 years with that firm working on large scale projects throughout the globe. Our philosophy is we need to know our clients, their expectations and how we can provide practical advice with reasonable costs and fees.

What we do

South Asia Law aspires to be a full corporate and commercial service provider with a strong litigation practice. We are able to assist clients on projects and matters in Thailand and through our subsidiary in Myanmar. The main focus of the Firm is:-
